

# Pokémon Sigma Ruby changes documentation

Pokémon Sigma Ruby contains various changes throughout the game. This documentation serves as a place for those interested to see these changes.

- The entire type effectiveness spectrum follows that of "Inverse Battles". You can find the updated type effectiveness on sites such as Serebii or Bulbapedia.
- The game has a new icon and banner!
- Many Pokémon have had their base stats slightly updated to make them more viable.
- Difficult or impossible evolutions (i.e. trade evolutions) have been taken out
- Some Pokémon have had their typing updated
- There have been updates on move stats
- Various Slateport City Market stores have had their items swapped
- To improve the viability of the above various purchase prices have been swapped
- Various signs have had their content changed. Try to find them all ;)!
- Various gift Pokémon have been changed.
- Various static Pokémon have been changed.

---

### Move changes

---

- Absorb now has a Base Power of **40**.
- Bubble is now a **Physical** move.
- Bubble Beam is now a **Physical** move.
- Cut is now a **Grass**-Type move and has a Base Power of **65**.
- Surf now only hits **both opponents** and not **also the partner**
- Fairy Wind now has a Base Power of **50**.
- Giga Drain now heals the user by **55%** of the dealt damage.
- Mega Drain now has a Base Power of **60**.
- Play Rough now has an accuracy of **100%**.
- Strength is now a **Rock**-Type move.
- Water Shuriken now has a Base Power of **25**.
- Wing Attack now has a Base Power of **75**.

---

### Notes

---

- Mega Evolution have not been changed unless specified
- Pokemon who had an evolution added in a later region can be found in the original region. > e.g. Electivire is found in "Kanto Pokémon", since Electabuzz is a Generation 1 Pokémon
- If you're looking for a specific Pokémon use the search feature, general Control or Command+F
- **Yellow marked** types indicate Pokémon who had their type changed.
- **Green marked** abilities indicate Pokémon who had their abilities changed.

*Please report any errors in the documentation on discord (<https://join.favware.tech>)*
